I understand that the Trustees hold personal data which I've provided to them. They need this to be able to administer my benefit under the ITV DC Plan. The Trustees, who are the data controller for data protection purposes, are required to look after my personal data in line with legal requirements. This means the Trustees are responsible for deciding what personal information needs to be processed and the way in which that information is processed. In processing my personal data, the Trustees may need to pass personal information about me, my dependants and other members and beneficiaries, to the ITV DC Plan's administrators, auditors, legal advisers, insurers, the ITV group of companies and such third parties as may be necessary for the purposes of administering the ITV DC Plan.

I confirm that the details provided on this form are correct and that the documents required are enclosed.

Where to find out more: Full details of the personal data the Trustees hold, how they use that information and who they share it with are set out in the Trustees' privacy notice, which is on the ITV DC Plan website at www.itvDCplan.com > Library. The privacy notice also sets out your rights about the personal data held about you by the Trustees and who to contact if you want to exercise those rights, make a complaint or generally have any questions.

The privacy notice is updated from time to time in accordance with future developments in data protection legislation and scheme practice and you can see the current version in the Library section of the ITV DC Plan website. Alternatively, if you'd prefer to receive a hard copy of the privacy notice, please contact ITV Pensions on 01772 884 488 or email enquiries@itv-pensions.com.

You're responsible for keeping the Trustees up-to-date with your personal information, including your marital status, contact and, where necessary, bank details. Without this information, there may be delays in paying benefits to you or your dependants.
