

ITV Defined Contribution Plan Diversified investments (responsible investment)

FUND OBJECTIVE

The investment objective of the fund is to provide long-term investment growth through exposure to a diversified range of asset classes (excluding physical property) while reflecting significant environmental, social and corporate governance (ESG) issues into the fund's investment strategy.

RISK PROFILE

The value of an investment and income taken from it is not guaranteed and can go down as well as up, you may not get back the amount you originally invested.

The Fund invests in one or more Collective Investment Schemes ("CIS") to achieve its investment objective, including other CIS managed by LGIM as well as CIS which are managed by entities sitting outside the Legal & General Group plc. Information on the CIS(s) in which the Fund invests should be disclosed in your scheme documentation. However, the information provided may be a high level description and should not be relied upon as a full disclosure of the material risks or terms and conditions associated with investing in the underlying CIS. Please refer to your scheme administrator if you would like more detailed information on each of the underlying CIS held within this Fund.

FUND FACTSHEET INFORMATION

This factsheet has been produced to provide you with fund information and is not designed to provide advice on the suitability of an investment for your personal financial situation. It should be read in conjunction with your pension scheme particulars. It is not an offer to buy or sell any investment or shares, if you have any questions regarding its contents, please speak to the Trustees or your Financial Advisor.

This fund is invested wholly or predominantly in units of such other funds identified by the Trustees of the pension scheme and maintained by Legal & General Investment Management. These funds may change from time to time. The Fund Objective and Benchmark have also been determined by the Trustees. This factsheet will be updated quarterly.

Performance data source: LGIM. All performance periods over a year will be annualised. Returns are calculated on the basis of daily midday mid-market prices. Fund performance is shown net, which is after the deduction of the management fees applicable to your scheme. Please refer to your scheme literature, or to your scheme administrator for the fee rate that applies to your scheme.

Past performance is not a guide to the future. The value of an investment is not guaranteed and can go down as well as up. Exchange rate variations can cause the value of overseas investments to increase or decrease. You may not get back the amount you originally invested. For overseas markets the figures are sterling adjusted and net of any withholding tax.
